SURVEY FOR: Clifford Ross  
4765 Old Highway 99S  
Ashland, Oregon 97520

LOCATION: Situated in Section 16, Township 40 South, Range 2 East of the  
Willamette Base and Meridian, Jackson County, Oregon.

PURPOSE: To survey, monument and prepare legal descriptions for four tracts  
as shown on the accompanying map, per clients instructions.

PROCEDURE: Commenced this survey in the vicinity of the Old Siskiyou Highway and  
the Southern Pacific Railroad. Tied all monuments that could be found  
affecting said tract of land. The physical centerline of the old  
Siskiyou was traversed. This traverse data was correlated with the  
State Highway location map. The general alignment fits fairly good  
in relation to the location map data, except as noted on the  
accompanying map.

This survey was tied to recorded survey no. 4083 for bearing control.
