SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: Ray Mitchell
8000 Dead Indian Rd.
Ashland, Oregon

PURPOSE: To monument and describe the tract as shown on the accompanying map.

PROCEDURE: Bearing control was established from a solar observation. A traverse was run around said tract and corners were set at those positions as directed by the client, and were tied to the quarter section corner as shown. That portion of said tract bounding on the section line was not established by this survey. Accordingly Witness Corners were set as shown.
