SURVEY NARRATIVE to comply with Paragraph 209.250, O. R. S.

DATE: November 30, 1972

 FOR: Mr. Ray Clark  
 1134 Missouri Flat Road  
 Grants Pass, Oregon

 PURPOSE: To Survey and monument the Southeast 1/4 of the Southwest 1/4  
 and the Southwest 1/4 of the Southeast 1/4 of Section 24, Township  
 37 South, Range 5 West, Willamette Meridian, Josephine County, Oregon.

 PROCEDURE: Starting at the South 1/4 corner of Section 24 at which point I found  
 a 1 1/2" Iron Pipe from which

 A Fir 10 ins. diam. bears North 48° East 13.86 feet  
 A W. Oak 16 ins. diam. bears South 47 1/2° East 12.54 feet

 Thence I traversed North 0°08'07" West 5370.10 feet to the North  
 1/4 corner of Section 24 determined at record distance from the  
 original bearing tree

 A Y. Pine 30 ins. diam. bears South 5° West 104.9 feet distance,  
 with B.T. scribe marks  
 set a 5/8" Iron Rod from which a new bearing tree  
 A Madrone 10 ins. diam. bears North 4° West 39.94 feet

 Thence I returned to the South 1/4 corner and traversed North  
 89°42'06" West 2686.32 feet to the Southwest corner at which point  
 I found a 1/2" square Iron Rod in a mound of rocks

 A B. Oak 16 ins. diam. bears North 30° East 35.0 feet  
 A Fir 20 ins. diam. bears North 54 1/4° West 52.14 feet

 Thence I traversed North 0°21'25" East 5382.74 feet to the Northwest  
 Section corner at which point I found a 1968 Gov. Brass Cap and  
 Bearing Trees; thence I determined the proportioned location  
 of the West 1/4 corner and conducted an extensive search for evidence  
 of the original corner. I was unable to find any evidence of the  
 original corner and resorted to setting it at the proportioned  
 distance; thence I traversed South 89°16'11" East 5333.93 feet to  
 the East 1/4 corner at which point I found a 1" Hexagon Iron Rod.  
 I could not find any evidence of the original bearing trees to  
 either support this corner or disprove it therefore I accepted the  
 1" Hexagon Iron Rod as the best available evidence of the location  
 of the original corner; thence I set the Center 1/4 corner, the West  
 1/16 corner on the South line and the Center South 1/16 corner  
 from which I traversed South 89°26'46" East 1336.18 feet and set the
