SURVEY NO. 5315

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209-250

Survey for: George McClanahan 72-52
521 South Central
Medford, Oregon 97501

Survey by: Edward A. McGinty, R.S.
Medford, Oregon
June 1973

Location: S.W. 1/4 Sec. 8 and N.W. 1/4 corner of Sec. 17
Township 39 South, Range 2 West, W.M.

Basis of Bearing: Previous Survey No. 1118
Course S. 43° 08' W.

Precedence of Survey:

This survey is partially dependent on previous surveys. The North-line of the Southwest quarter as shown is a retracement of previous Survey No. 528 and is not a confirmation of true location at request of owner.

The line running southerly from the Northwest corner of Section 17 is an approx. section line and not to be construed otherwise. A portion of Sterling Creek Road was surveyed and a proposed right-of-way and a portion is a retracement of property line or previous survey. The client is aware that the East-West center is not confirmed and the line running South from the Northwest corner of Section 17 is approx. only.
