SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: Mrs. Parent
c/o Don Skillman
P.O. Box 83
Ashland, Ore.

PURPOSE: To monument and describe the tract as shown on the accompanying map.

PROCEDURE: The establishment of said tract boundaries required that Section 23 be subdivided. As this was at this time unpractical and costly, the client and the adjoiners agreed upon the present lines of occupation and my survey followed their intentions beginning at the Southwest Corner of BRIGGS SUBDIVISION NO. 2 and closing on Tolman Creek Road as established by BRIGGS SUBDIVISION.
