SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209-250

SURVEY FOR: Lynn O'Neil  
c/o Max Weston  
523 N. Riverside  
Medford, oregon 97501

SURVEY BY: Edward A. McGinty, R.S.  
Medford, Oregon  
September, 1973

LOCATION: N.E. 1/4 of Section 20, T38S, R1W

BASIS OF BEARING: Survey No. 5133

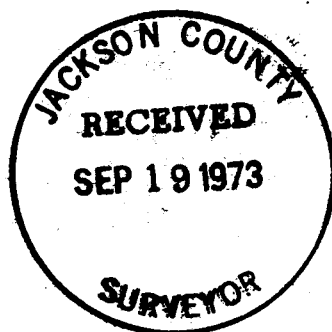

PRECEDENCE OF SURVEY:

The East-West center line of the section is a line surveyed in 1929 and commonly accepted as the true line. Also, see Narrative and Survey 5133 for additional information.

This survey was dependent partially on a previous survey, which divided a larger tract. These monuments were recovered and used as original intent. The easterly was determined as near approx. being the West line of the East 60 acres.

Holding Deed Record North 300 feet; thence East on Deed Record to intersect the approx. west of said 60 acres tract. Note; Existing fence is approx. the same line along this tract.

Apparently another survey in this area has been made but not of record. Some of these monuments were found in determining where the strip intersected the existing road as shown.
