SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: Lance Brewold
5700 Dark Hollow Rd.
Phoenix, Oregon

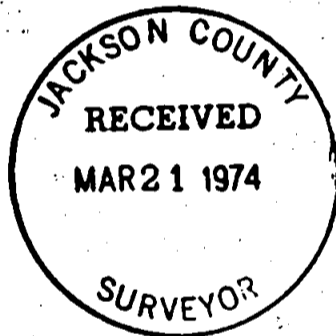

PURPOSE: To monument and describe the tract as shown on the accompanying map. To monument and describe an agreement boundary between the client and his Easterly adjoiner.

PROCEDURE: The boundaries established by this survey were located according to the clients instructions. The section line was not established by this survey due to the uncertainty of location of the section corner to the West. Accordingly witness corners were established to close on said line. As no monumentation was available for Dark Hollow Road the existing centerline was used from which witness corners were established as shown.
