SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209-250

SURVEY FOR: Paul Morris 74-18  
207 Washington St.  
Medford, Oregon

SURVEY BY: Edward A. McGinty, R.S.  
Medford, Oregon  
May 1974

LOCATION: Survey in Mont Crest Subdivision  
Unit 1, Block 5 - Medford, Oregon

PRECEDENCE OF SURVEY:

This is a boundary retracement of lot 10. Controlling monuments were recovered for original lot corners at points 'A', being 3/4" iron pins. At point 'B' found a 5/8" iron pin. At point 'C' found 5/8" iron pin with top 6" bent badly southeasterly. This was replaced with 5/8" x 24" iron pin. At point 'D' found 3/4" iron pin bent on top 4" approx. 0.25 feet. This pin was straightened and reset at lot corner; thence record distance was held to the northwesterly corner of lot 10.
