Survey Narrative to Comply with Section 87-330

1947 Oregon State Laws

Survey For: Lee Port Jr.
845 Oak Hill St. S.E.
Salem, Oregon

Purpose of Survey: To retrace property boundaries.

Survey Location: Northeast Quarter (NE 1/4) of Southeast Quarter (SE 1/4) Section 31, Township 37 South, Range 2 West, Willamette Meridian, Jackson County, Oregon

Survey Procedure: Found center of N.E. 1/4 of S.E. 1/4 Section 31, Township 37 South, Range 2 West, Willamette Meridian. I found monuments on the North and South center line of the N.E. 1/4 of S.E. 1/4 Section 31, and used the bearing of this line as shown on the Edward A. McGinty Survey for A. Petard as a basis for survey control. The Northwest corner of the property had been removed by excavation. This I restored as shown on the map.

Louis W. Amort
Registered Engineer
