SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250 O. R. S.

SURVEY FOR: Cecil A. Woodall
4352 East Evans Creek Road
Rogue River, Oregon 97537

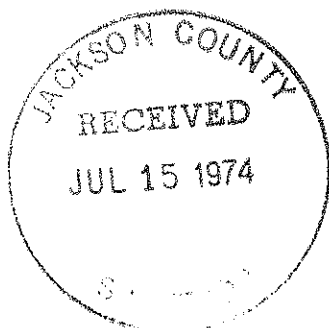

LOCATION: West Half of Section 15, Township 36 South, Range 4 West,
Willamette Meridian, Jackson County, Oregon.

PURPOSE: To survey and monument the Woodall property.

PROCEDURE: To establish the East line of Block 4 of Carner & Sabins
Second Addition to Woodville, it was necessary to sub-
divide the West Half of Section 15 as shown on the at-
tached plat. Recorded Survey No. 915 was used to es-
tablish the East right-of-way line of North Broadway; to
establish the South line of Lot 6 I measured the fences
between the North right-of-way lines of 3rd Street and
7th Street and found the total to be within one (1)
foot of recorded distance, the average of the fences
was then taken and the pins set as shown on the attached
plat.

All bearings are based on the West line of the Southwest
Quarter of Section 15 per R.S. No. 4845.

Survey was executed with a Wild T-16ED Transit Theodolite
and 200.00 foot steel chain.
