SURVEY FOR: Lee Read 71-17
4171 Sams Valley Road
Gold Hill, Ore. 97525

SURVEY BY: Edward A. McGinty, RS.
Medford, Oregon
August 1974

BASIS OF BEARING: Survey No. 5311

PRECEDENCE OF SURVEY:

From previous survey datum, surveyed a line as shown setting 5/8" x 24" iron pins. This survey terminated on the line shown on Survey No. 3955, however it is not a confirmation that said survey is on the East-West centerline of Section 32.

Prepared a description of the tract lying easterly of this survey in the Northwest quarter, also includes a strip 15 feet in width lying westerly of the surveyed line. Its westerly line would be more or less near the center of the existing creek.
