SURVEY NARRATIVE TO COMPLY WITH REVISED OREGON STATUTE NO. 209.250

SURVEY FOR: ALVIN WOODRUFF
17690 HIGHWAY 238,
GRANTS PASS, OREGON 97526

PURPOSE: To locate and monument that property being sold by Mr. Woodruff located in the Southwest Quarter of the Northwest Quarter of Section 21, Township 38 South, Range 4 West of the Willamette Meridian, Jackson County, Oregon.

PROCEDURE: I begin at the West One-quarter corner and run Easterly to the 1/16th corner as set by R.S. 505 in 1969 and set the monument on the line. I then run Northerly to the South line of U. S. Highway No. 238 as monumented by R.S. 505 in 1969 and set the witness corner North of the New Barryman Ditch as shown. I then off-set and traverse the New Barryman Ditch to a point where I am instructed to leave it and set the Southwest corner of the new property line which is sixty (60) feet from and parallel to the original property line as shown. From this point I run Northerly to the said Highway No. 238 and set the Right-of-way monuments. I compute from my off-set line the true centerline of the New Barryman Ditch which is now the property line. All exterior control is based upon the survey executed by R.S. 505 in 1969 in which he ran the entire Section.
