

SURVEY NO. 6150

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250
OREGON REVISED STATUTES

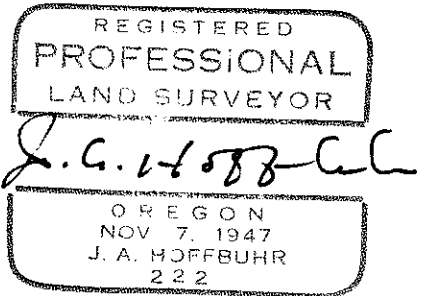

SURVEY FOR: George Flanagan
P.O. Box 1766
Medford, Oregon 97501

LOCATION: Section 10, Township 37 South, Range 2 West,
Willamette Meridian, Jackson County, Oregon

PURPOSE: To survey, monument, and describe the tracts of
land as indicated on the attached map of survey

PROCEDURE: Using Recorded Survey No. 5420 as control, the
property corners of the tracts shown on the attached map of survey
were set as indicated by the map. The bearings of Central Valley
Subdivision and Recorded Survey No. 5420 differ by 00° 08' 17".
The difference is attributed to the surveys being based on differ-
ent control and not to an error. For this survey the bearings of
Recorded Survey No. 5420 were held to be correct. Basis of bear-
ing--Recorded Survey No. 5420.
