1071 Bishop Creek Road
Jacksonville, Oregon

Location: Located in the SW $\frac{1}{4}$ of section 24, Township 38 South, Range 3 West, Willamette Meridian, Jackson County, Oregon.

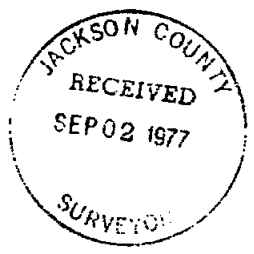

Purpose: To monument and describe a proposed agreement line to enable the client and his adjoiner to alter their existing common boundary, exchanging equal area to better suit their needs.

Procedure: As an accurate subdivision of section 24 was determined to be economically impractical at this time, the existing boundaries were located approximately and the proposed revisions to the boundary monumented as shown on the map.
