SURVEY NARRATIVE TO COMPLY WITH
OREGON REVISED STATUTES ORS. 209.250

Survey For: Rogue River National Forest
 P. O. Box 520
 Medford, Oregon 97501
 and
 Lorin Severson
 2002 French Gulch Road
 Jacksonville, Oregon 97530

Location: Township 40 South, Range 3 West, Willamette
 Meridian, Section 32, Northwest Quarter (¼)

Basis of Bearing: Solar observation

Purpose: To monument the property as shown on the
 attached map of survey.

Procedure:

A traverse was run tying the north, south, east, west quarter corners and northwest section corner of Section 32. The above corners were incorporated in a closed traverse, from this control the northwest quarter was subdivided and corners set to monument the tract of land as shown on the accompanying map. Work was performed using a Wild T-16 Theodolite and Hewlett Packard 3805A Electronic Distance Meter.
