Jackson County, Oregon.

BY: T. Flatcho and Associates

935 North Fifth Street

Jacksonville, Oregon

PURPOSE: To locate, monument, and describe a tract of
land to be conveyed to the City of Jacksonville
together with an easement thereto.

PROCEDURE: Monuments found as shown on Survey 4202
were used as a basis of bearing and beginning control
for a traverse to locate and layout the 135 foot
by 185 foot tract represented on the attached
map. The easement was surveyed but not monumented.

The monuments set on the westerly side of the
tract are to be considered as closing corners or
witness corners, since the section was not sub-
