SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250  
OREGON REVISED STATUTES

SURVEY FOR: Harold Gentry  
70 Hillendale  
Ashland, Oregon 97520

LOCATION: Situated in the North half of Section 8, Township 39 South,  
Range 1 East of the Willamette Base and Meridian, Jackson  
County, Oregon.

PURPOSE: To survey the parcel of land as shown on the accompanying map and  
prepare legal descriptions for boundary line agreements on the  
Easterly and Westerly boundaries, as shown.

PROCEDURE: From previously established control, proceeded to run control to the  
areas where the corners were to be set. Tied fences and fence corners  
to obtain the relationship of lines of occupation in relation to the  
interior sections lines as determined by subdividing Section 8. The  
North boundary line was established along the average location of the  
existing East-West fence which is situated a few feet southerly of the  
true Dead Record boundary line, which would be the North boundary line  
of the Southeast quarter of the Northwest quarter of Section 8.  
The remainder of the survey was conducted as shown on the accompanying  
map.
