SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: William Neal
2104 Roberts Rd.
Medford, Oregon

PURPOSE: To partition, monument and describe the tract as shown
on the accompanying map.

PROCEDURE: The parent tract boundaries were originally established
by Recorded Survey No. 603. The monuments of said
survey were recovered and held as control in establishing
the new partition as directed by the client.

The 3/4" iron pin found at the N.W. corner of the parent
tract is a replacement of the original 5/8" iron pin
of recorded survey no. 603 by the City of Medford
Surveyor, according to the client.
