SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

Survey For: Mr. Dale Abel
P.O. Box 141
Phoenix, Oregon

Location: Located in the Northwest one quarter of Section 15, Township 38 South, Range 1 West of the Willamette Meridian, Jackson County, Ore.

Purpose: To monument the property described in O.R. 78-08872, as shown on the accompanying map.

Procedure: The North line of DLC Number 43 was determined from the found Northwest corner and the found $3/4$ inch iron pipe represented by numerous surveys as being on said line.

The East boundary of Eleven Oaks Unit No. 2 was retraced as well as the east line of that tract described in O.R. 72-01698.

The West boundary of the subject property was determined by deed and reference to filed survey number 4824.

The North boundary created some difficulties in that all of the found monumentation was not in concurrence. I utilized the line from the initial point of the McClurg Addition to the found $3/4$ inch iron pin shown on survey number 4824.
