		Thence S. 89° 48' 06" W.
	1323.51	The SW. 1/16 sec. cor. of sec. 11.
	2647.02	The S. 1/16 sec. cor. of sec. 10 and 11.
		This survey was executed with a T16E Theodolite, a Hewlett-Packard 3805 electronic distance measuring device, and a 66 foot steel tape. The basis of bearing is a solar observation obtained at the corner of secs. 11, 12, 13, and 14.
		Bearing of reference trees are to the head of a spike driven into the bottom of a blaze near the base of the tree. Distances are to side-center of the tree.
		Lines between U.S. and PVT were blazed and yellow metal boundary tags were posted. Bearings based on solar observations.

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.25

SURVEY FOR: U. S. Bureau of Land Management, Medford District Office, 310 West Sixth Street, Medford, Oregon.

PURPOSE OF SURVEY: To delineate federal lands from private lands.

Survey of portions of the subdivisional lines and the survey of the subdivision of Sec. 11, T. 36 S., R. 1 E., Willamette Meridian, Jackson County, Oregon.

PROCEDURE

Beginning at the cor. of secs. 11, 12, 13, and 14, monumented with an iron post, 1 in. diam., firmly set, protruding 4 ins. above the ground with brass cap mkd.
