### MAP OF SURVEY

Located in lot 5 DEUVAULS WEST VIRGINIA ADDN. TO ASHLAND in Section 9, Twp 39S, R1E For: PHILIP THORMAHLEN By: Geo. Burrell, Surveyor, June 1979

SURVEY NO. 7868

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: Philip Thormahlen  
P.O. Box 855  
Ashland, Oregon

PURPOSE: To monument the tract of record as shown on the accompanying map.

PROCEEDURE: The Easterly boundary of said tract was established according to record distance and angle from the West line of lot 5 as shown on the accompanying map. The North boundary was established by projecting a line Easterly from McCalls 1" iron pin at Vista Street and the S.E. Corner of D.L.C. 40. It is believed that this procedure would be more in accordance with the basis of bearing of Vol. 11 Page 475, and the plat bearing and distances of DEVAULS WEST VIRGINIA ADDN.
