SURVEY NO. 8134

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: Mick Toney
555 Woodberry
Jacksonville, Oregon

PURPOSE: To monument and describe the tract as shown on the accompanying map.

PROCEDURE: The monuments of recorded survey no. 2493 and 2520 were held as control in re-establishing the point of intersection of the Easterly line of Arrow Head Pass Road with the North line of the S.W. 1/4 S.E. 1/4.

The point of intersection was established according to record angle. No other road monuments were found (other than the one shown on said map) that would afford a better re-establishment.

Using this re-established intersection, said tract was monumented and described as shown on the accompanying map.
