Survey No. 8138

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: Ben F. Nork
P. O. Box 97
Shady Cove, Oregon, 97539

PURPOSE: To monument the division line between two parcels and survey and describe the parcels and their flag parcels as shown on the annexed map, being located in the East-half of Section 22, T34SR1W, W.M.

PROCEDURE: Utilizing E.D.M. equipment, traversed to the Sectional controls found as shown on the annexed map. From said data, computed the approximate position of the Center-East one-sixteenth Section corner of Section 22 to position the "line pin" N. 0° 07' 50" W., 796.00 feet from the East one-sixteenth corner common to Sections 22 and 27.

At the East one-sixteenth corner common to Sections 22 and 27, set a 3/4" x 36" galvanized iron pipe with 2" bronze cap stamped:

R.P.L.S. 281
S22
E 1/16
S27

1979 , 14" in the ground

and erected a mound of stone around said pipe corner from which:

Scribed a 7" Laurel, "E 1/16 S22-BT" which bears N2°E, 14.4 feet to the face of the lower blaze;

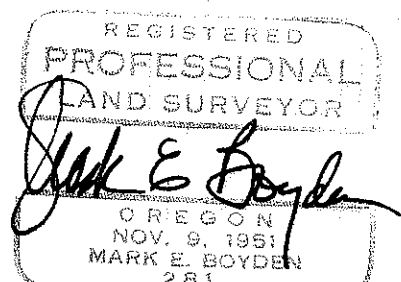

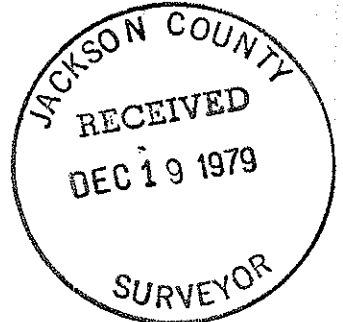

Scribed a 15" White Oak, "E 1/16 S27-BT" which bears S73 1/2°E, 10.4 feet to the face of the lower blaze.

It should be noted that the East 1/16 corner between Sections 22 and 27 was positioned between the original line tree and the Southeast corner of Section 22 and not half-way between the South Quarter corner of Section 22 and the Southeast corner of said Section 22.

Basis of bearings was established by a mean of 16 solar observations taken near the West boundary of Parcel 'A'.

Survey under the direction of:
