SURVEY NARRATIVE

To Accompany Map of Survey

For: Weyerhaeuser Company
P.O. Box 9
Klamath Falls, Oregon 97601

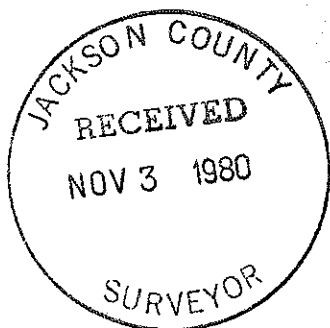

Purpose: To survey, monument and blaze the lines around the NW 1/4 of the SW 1/4 of Section 12, Township 40 South, Range 3 East, Willamette Meridian, Jackson County, Oregon.

Procedure: The following corners of section 12 were located as per registered survey number 5117:

- 1.) Northwest section corner
- 2.) West one-quarter corner
- 3.) Southwest section corner
- 4.) South one-quarter corner
- 5.) East one-quarter corner
- 6.) North one-quarter corner

A theodolite - EDM traverse was run through the above listed corners with an error ratio of 1/84,000 resulting. From this traverse, section 12 was subdivided and bearings and distances determined for the property lines around the NW 1/4 of the SW 1/4. True line was then run and blazed and the following corners set as per the attached plat:

- 1.) Center - West 1/16 corner
- 2.) Southwest 1/16 corner
- 3.) South 1/16 corner common to sections 11 and 12
