SURVEY NO. 8604

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250
OREGON REVISED STATUTES

SURVEY FOR: Young Men's Christian Association of Ashland, Oregon
2245 Ashland Street
Ashland, Oregon 97520

LOCATION: Situated in the Southwest quarter of Section 11, Township 39 South,
Range 1 East of the Willamette Base and Meridian, Jackson County,
Oregon.

PURPOSE: To establish boundary lines to be cleared by "Boundary Line Agreements"
or a "Suit to Quiet Title".

PROCEDURE: Established additional traverse control from control utilized in the
executing of Recorded Survey No. 5613. Most of these tracts or parcels
of land, in this general area, refer to a boundary line which would
need to be established by the subdividing of Section 11. There are
not enough quarter corners and section corners available, to legally
subdivide Section 11, economically. Therefore, the appropriate legal
means of rectifying these boundary lines has been suggested to the
client. The monuments found and set are as shown on the accompanying
map.

Basis of bearing was derived from the National Oceanic and
Atmospheric Administration (formerly Coast & Geodetic Survey)
survey net, as established in 1968 and on file in the office
of the Jackson County Surveyor.
