

SURVEY NO. 8868

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

SURVEY FOR: Arlene Gillespie  
506 Cole Street  
San Francisco, CA 94117

LOCATION: A portion of the Southeast one-quarter  
of the Southwest one-quarter of Section  
7, Township 39 South, Range 4 West,  
Willamette Meridian, Jackson County,  
Oregon.

PURPOSE: To correct Survey No. 8818 . As stated  
in the narrative of said Survey, there  
appeared to be an overlap between the  
East line of that parcel recorded at  
73-13211 of Deeds and the West line of  
74-13354 of Deeds. It was discovered  
in Deed 74-13353 that the narrow strip  
of land lying Easterly of the road,  
described as being a portion of said  
73-13211, was quitclaimed to Mr. Melvin  
Johnson. Later, when Mr. Johnson sold  
said parcel described in Deed No. 74-13354  
to Arlene Gillespie, he did in fact own  
all of the property to the Easterly line  
of the road. Therefore, the line dimen-  
sioned North 00° 07' 29" West 400.00 feet  
and the heavy line connected to, and  
directly South of the last said line,  
is no longer intended to be the property  
line between said parcels and is hereby  
omitted. The Westerly line of said  
74-13354 is the Easterly line of said  
60 foot wide road.

DATE: June, 1981
