SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR: Jim Miller
975 Dead Indian Rd.
Ashland, Oregon

PURPOSE: To monument the boundaries of a parcel of record previously described by me.

PROCEDURE: The found monuments of Recorded Survey No. 4221 and previous survey control monuments were used as control in establishing said boundaries according to record.

The South boundary of Section 6 was not monumented as the section corner control to the East is lost, however an approximate line, run due East was marked on the ground and all parties concerned were made aware of its uncertainty.
