SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250  
OREGON REVISED STATUTES

SURVEY FOR: M. A. Winkelman  
20 Stage Road S.  
Medford, Oregon 97501

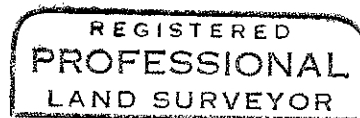

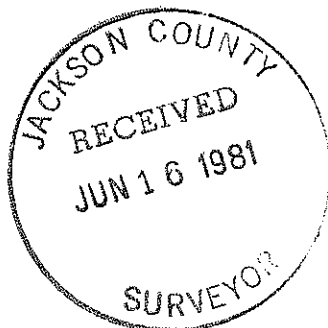

LOCATION: Section 5, Township 38 South, Range 1 West,  
Willamette Meridian, Jackson County, Oregon

PURPOSE: To survey, monument, and describe the parcels  
per client's request as shown on the attached  
map

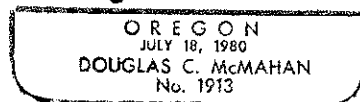

PROCEDURE: Using information from Survey No. 1814 and from  
a Jackson County Road department map (dated April 1941), I was able  
to determine the Northerly right of way line of Jacksonville-Phoenix  
Road. The Easterly boundary is determined by being 30 feet from  
the centerline of the Southern Pacific Railroad tracks. By using  
control monuments found and Documents No. 80-02267, 80-14224, and  
78-23490, and Volume 582, page 496, the Westerly and Southerly  
boundaries were determined as shown on the attached map. The in-  
terior lines were monumented and described as per client's request.
