SURVEY NO. 8895

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250  
OREGON REVISED STATUTES

SURVEY FOR: Loren Gingg  
8565 Applegate Road  
Jacksonville, Oregon 97530

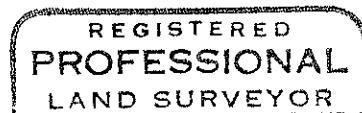

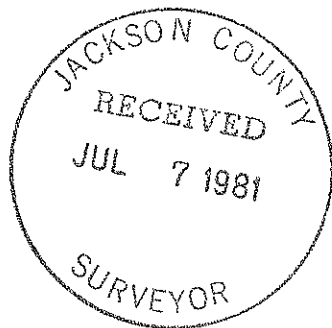

LOCATION: Northwest one-quarter (1/4) of Section 12,  
Township 39 South, Range 3 West, Willamette  
Meridian, Jackson County, Oregon

PURPOSE: Locate and monument the two lines as shown on  
the attached map for the purpose of a boundary  
line agreement

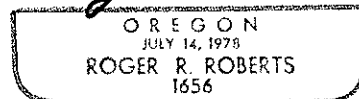

PROCEDURE: Monumented the lines as shown, which are not  
intended to represent the section subdivisional lines, and deter-  
mined bearings by solar observation.

The found aluminum pipe was apparently witnessed by a single  
unscribed blaze on three nearby trees, and the pipe and blazes  
appear to be less than 5 years old. The origin of the pipe is  
unknown.
