SURVEY NO. 8937

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250  
OREGON REVISED STATUTES

SURVEY FOR: Medford Steel  
1109 Court Street  
Medford, Oregon 97501

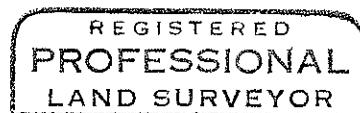

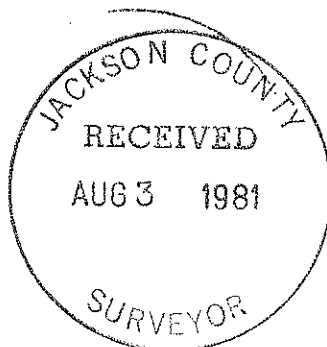

LOCATION: Block 2 of Hockenyos Addition to the City of  
Medford, in Section 24, Township 37 South,  
Range 2 West, Willamette Meridian, Jackson  
County, Oregon

PURPOSE: To survey and monument the Westerly line of the  
East 9.70 feet of the West one-half of the  
alleyway in Block 2 as shown on the attached map

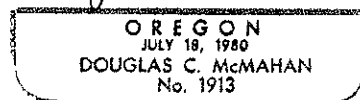

PROCEDURE: The plat of Hockenyos Addition has many discrep-  
ancies. After reviewing the plat and using control established  
by Survey No. 1736, an attempt was made to proportionately establish  
the South line of Lot 9, Block 2, as nearly as possible to the  
original Hockenyos plat intent. The Westerly right of way of Court  
Street and record distances were used to determine the location  
of the alley. Set pins as shown on the attached map.

Basis of bearing--Survey No. 1736

June 27, 1981
