

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

Survey for: Medford-Jackson County Airport
3650 Biddle Road
Medford, Oregon 97501

Purpose of Survey; To monument the Westerly portions of Airport property between Corona Avenue and Whittle Avenue to allow for the completion of temporary wire fencing for trespass control.

Basis of Bearing: Iron pipes found along Corona Avenue as shown on the map.

Procedure: Using Records of Surveys, located existing property monuments, tied same using electronic distance meter and one-second theodolite. (Initial control ties were made while the writer was an employee of the Jackson County Surveyor's Office; additional control ties and closure made at a later date as an individual land surveyor)
Deed instruments were used to determine Junior and Senior rights of properties affected by the monumentation, as all parcels were deeded out of Rogue Valley Heights, a subdivision as recorded in the Jackson County Clerk's Office in Plat Book 3, Page 13.

As noted on the map of survey, easements, apparent upon the property and/or of record, are NOT SHOWN.

Recorded Surveys used: R.S. 8352; R.S. 6886; R.S. 5561 and R.S. 4667, on file in the Jackson County Surveyor's Office. A tie only to R.S. 5689 was made abutting Whittle Avenue.

Date: October, 1981
