Shady Cove, Oregon 97539

Survey by : Charles H. Hurst

Medford, Oregon 97501

Bearing : Based on deed record (baseline as shown)

Purpose : To locate the tract described in Volume 591 at page
100 of Deed Records, Jackson County, Oregon.

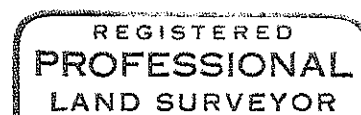

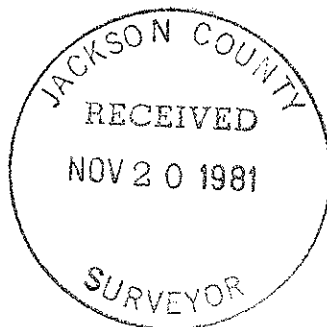

Procedure

In the absence of an officially monumented centerline, witness corners were set on the approximate southeasterly right-of-way line of Rogue River Drive based on the Jackson County Road Department "P" line survey of 1947.

The 1/2" iron pin monuments shown are of unknown origin but are believed to have been established in whole or part as monumenting division lines prior to conveyance and were held accordingly.

Those monuments near the SE and SW corners of the tract shown show evidence of disturbance and were disregarded in favor of deed calls.
