SURVEYOR

SURVEY NO. 9232

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

SURVEY FOR: Applegate Valley Rural Fire District No. 9
P.O. Box 186
Jacksonville, OR 97535

LOCATION: A portion of the Northwest one-quarter of
the Northwest one-quarter of Section 22,
Township 38 South, Range 4 West, Willamette
Meridian, Jackson County, Oregon.

PURPOSE: To create a new parcel as requested by the
client.

PROCEDURE: Using control established during survey
number 7685, I set the corners as shown
on the attached map.

It should be noted that I used a 60 foot
wide right-of-way width for North Applegate
Road to establish the northerly line of
this survey. Survey number 7755, which is
on the North side of said road, used a 40
foot wide right-of-way. I made a search
of the road records, County Surveyor's
Office and the County Road Department's
Office and found nothing to warrant using
a 40 foot wide right-of-way.
