SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH
209.250 OREGON REVISED STATUTES

Survey for: La Verne Edwards
P.O. Box 961
Shady Cove, Oregon 97539

Survey by : Charles H. Hurst
304 South Holly
Medford, Oregon 97501

Bearings : Based on Survey No. 3495 (N-S centerline of Sec. 16)

Purpose : To locate the existing center of an unimproved road.

Procedure

P.I. control for Sawyer Road was utilized and a confirming tie for coordinate control was made to the C 1/4 corner as shown on the attached plat.

The as located pole location centerline for a Pacific Power & Light transmission line (not shown) parallels the center of the existing road falling some 5 to 7 feet distant northwesterly therefrom.
