SURVEY NO. 9380

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

SURVEY FOR: R. Jay Hester
7 Brophy Way
Shady Cove, OR 97539

LOCATION: A portion of the Northeast one-quarter (1/4)
of the Northeast one-quarter (1/4) of Section
28, Township 34 South, Range 1 West, Willamette
Meridian, Jackson County, Oregon.

PURPOSE: To survey and monument the Client's property
as described in Instrument Number 81-07742,
Jackson County Official Records.

PROCEDURE: Using control established during Survey No.
6782, I traversed to the East one-quarter (1/4)
corner of said Section 28 and corners set during
Survey No. 6738. Said Survey No. 6738 used
East-West bearings for some of the property
lines. After studying the property descriptions
of the past, this office has determined that
said bearings should have been made parallel
to the North line of the Northeast one-quarter
(1/4) of said Section 28.

The bearing on Crater Lake Highway was determined
and used as shown on Survey No. 8973.
