SURVEY NARRATIVE

SURVEY in the Southeast Quarter of the Southeast Quarter of Section 9 and in the Southwest Quarter of the Southwest Quarter of Section 10, Township 36 South, Range 4 West of the Willamette Meridian, Jackson County, Oregon.

SURVEY FOR: Jon and Joanne Bigman
405 Scheifflein Gulch Rd.
Gold Hill, Ore.

SURVEY BY: Robert Mason
415 Surrey Dr.
Grants Pass, Ore.

PURPOSE OF SURVEY: To mark the boundaries and prepare descriptions for minor partition. See Jackson Planning Dept. File No. 83-8MP; 36 - 4W - 9 - 3100.

PROCEDURE: From the corner common to Sections 9, 10, 15 and 16, I used monuments from Survey 5638 to determine the South line of Sec. 9 and monuments from LLOYELLEN ACRES to determine the South line of Sec. 10. To determine the East line of West Evans Creek Rd., I used a series of spikes with punch marks, located at what appeared to be the center of the improved portion of the street,

I then measured NORTH, 158.70 feet (deed), from the Sec. corner; then S 83° 51' W, to intersect the East line of W. Evans Cr. Rd. Also from the Sec. corner, I intersect W. Evans Cr. Rd. along the South line of Sec. 9.

After locating the two buildings and the well, I partition the property and monument same as shown on the accompanying plat.

SURVEYED APRIL 8, 1983

Bearings are based on LLOYELEN ACRES.
