SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

SURVEY FOR: National Weather Service
P.O. Box 11188
Salt Lake City, Utah 84147

LOCATION: Located in the Southeast one-quarter (1/4) of
Section 1, Township 37 South, Range 2 West,
Willamette Meridian, Jackson County, Oregon.

PURPOSE: To locate and described a parcel of land to be
leased by the National Weather Service from
the Jackson County Airport property.

PROCEDURE: The corner locations were determined in the
field by the National Weather Service. A traverse
was run between said corners and control used
during Survey No. 7799. Due to the lack of
right-of-way monuments for Biddle Road, pins
were set 0.1' inside of the right-of-way fence.
