survey no. 9643

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

For:

Terry Clement 442 Terrace Street

Ashland, Oregon

Richard Bernard 440 Terrace Street Ashland, Oregon

Purpose:

To locate a mutually agreed upon line for use in a Boundary Line

Adjustment document.

Procedure:

The northerly parcel had previously been surveyed and filed as Survey No. 4103, however, original monumentation had been destroyed.

The centerline of Terrace Street was established from monuments as indicated. The westerly line of COEUR DALENE SUBDIVISION was established from measurements made in performing said Survey No. 4103. It would appear all original lot corners on the line have been destroyed or lost.

The parcel were then monumented as shown on the accompanying plat.
