Purpose

At request of client, located the title boundary line between, Tracts 31 and 32. She indicated she may construct a fence on this line.

There is an existing fence (not shown) beginning about 37 feet southerly of the northerly corner and running southerly for approx. 200 ft. to a point 5 ft. east of the title line. The status of this fence is unknown to me. Beyond is a barb fence running at random southwesterly for a ways then turns westerly.

Traverse points set being 5/8 in. x 24 in. iron pins and 2 in. x 2 in. wood hubs set flush with the surface.
