Survey No. 9868

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250.

Survey for: Mr. Don Rainwater
11427 Blackwell Road
Central Point, Oregon 97502

Location: Located in the northwest quarter of Section 15, Township 34 South, Range 1 West of the Willamette Meridian, Jackson County, Oregon.

Purpose: To monument the two tracts as shown on the accompanying map.

Procedure: The deeds of record called for the east-west lines of the subject tracts to be parallel with the North line of the northwest quarter of said Section 15. The north-south lines were described as being parallel with the east line of said quarter. The North and east lines of said quarter were retraced as shown on the accompanying map. This was done via a series of closed traverses. The found monumentation from filed survey No. 3404 was utilized as basis of bearing and in conjunction with the most recent (1979) re-establishment of the 1/4 corner common to Sections 10 and 15 was used to determine the position of same.
