SURVEYOR

I removed my previously established monument and reset said monument to the corner point represented by this survey. At the corner point I set a $2\frac{1}{2}$ inch diameter galvanized iron post with a 21/2 inch diameter brass cap marked:

And the following references:

A 10-inch diameter fir bears S36°12'E, 18.80 feet distance, scribed CW 1/16 S34 LS1071 BT.

A 15-inch diameter fir bears N73°37'W, 48.80 feet distance with a healed blaze.

And the following references:

A 21-inch diameter pine bears N12°09'E, 77.90 feet distance with a healed blaze.

An 8-inch diameter pine bears \$13°38'E, 14.90 feet distance with a healed blaze.

Corners Established This Survey

Note: The following corner points were established by me as part of Record Survey No. 8185. Monuments established as part of that survey were adjusted to conform to the points as described within this survey. 1984 was added to the monument and old reference trees tied and new trees marked as required.

Center-north one-sixteenth corner Section 34, Township 35 South, Range 3

I removed my previously established monument and reset said monument to the corner point represented by this survey. At the corner point I set a $2\frac{1}{2}$ inch diameter galvanized iron post with a $2\frac{1}{2}$ inch diameter brass cap marked:

And the following references:

A 13-inch diameter pine bears N73°19'W, 30.98 feet distance with a partially healed face.

An 11-inch diameter pine bears N85°11'E, 33.55 feet distance with a partially healed face.

Center one-quarter corner Section 34, Township 35 South, Range 3 East.

I removed my previously established monument and reset said monument to the corner point represented by this survey. At the corner point I set a $2\frac{1}{2}$ inch diameter galvanized iron post with a $2\frac{1}{2}$ inch diameter brass cap marked:

And the following references:

A 9-inch diameter pine bears N25°02'E, 26.65 feet distance with a partially healed blaze.

A 14-inch diameter fir bears N49°03'W, 49.00 feet distance, scribed $C\frac{1}{4}$ S34 LS1071 BT.

Center-west one-sixteenth corner Section 34, Township 35 South, Range 3 East.

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250 OREGON REVISED STATUTES

SURVEY FOR: Rogue River National Forest

P. O. Box 520 Medford, OR 97501

and

Medford Water Commission Medford City Hall, Room 286 Medford, OR 97501

LOCATION: Section 34, Township 35 South, Range 3 East,

Willamette Meridian, Jackson County, Oregon.

BASIS OF BEARING: Solar observation - Bearings are based on solar

observation utilized for survey of Section 33.

PURPOSE: To monument property corners and mark and post

mutual property lines separating Medford Water

Commission and National Forest lands.

SPECIAL NOTE: This survey amends Record Survey No. 8185.

> corrective resurvey is due to the adjustment in controlling corner positions by the Bureau of Land Management following the filing of Record Survey

No. 8185.

PROCEDURE: Performed a closed traverse which began with my

> traverse control for Section 33 at the southwest corner of Section 34. From this control I ran a random line traverse counterclockwise around the south, east and north lines of Section 34 closing my traverse to my control for Section 33 at the northwest corner of Section 34. From this traverse control I ran from the north one-sixteenth corner on the east line adjacent to the interior lines closing to my traverse control at the west one-

sixteenth corner on the south line.

Corners Accepted For Control

The following corners were described within Record Survey No. 9744 and were found as described within that narrative and will not be redescribed within this narrative.

Section corner common to Sections 27, 28, 33 and 34, Township 35 South, Range 3 East.

One-quarter corner to Sections 33 and 34, Township 35 South, Range 3 East.

South one-sixteenth corner to Sections 33 and 34, Township 35 South, Range 3 East.

Section corner to Sections 33 and 34, Township 35 South, Range 3 East, and Section 4, Township 36 South, Range 3 East.

Closing section corner to Sections 3 and 4, Township 36 South, Range 3 East, and Section 34, Township 35 South, Range 3 East.

Angle point on the 8th standard parallel south Range 3 East, for Section 34, Township 35 South, Range 3 East, and Section 3, Township 36 South, Range 3 East.
